Leicester,
May 29.

Dear Walter -

I have attended to
notifying the N. England
Convention in the Newspaper,
& publishers 'cards, - if
any one asks.

- Hold on to any letters
you may have of mine.
I expect to be in town

tomorrow (Tuesday)
Noon.

— I have been to
Washington, to see the
Armies of the Potomac,
the Tennessee, and of
Georgia. I was gone
just one week, getting
home Sat^y. night.
— I was not well when

I went, & the Goups
& Connings were rather
too much for me; but
I was well repaid for
every exertion. — I
also visited the Military
Court, &c. &c. &c.

Yrs. truly
